

**ROYAL CANADIAN MARINE
SEARCH & RESCUE**

STATION 106 - SHUSWAP

Pan Pan

(Help needed but not in immediate danger)

1. Tune to VHF radio channel 16
2. Press transmit button and say:
 - “Pan Pan, Pan Pan, Pan Pan,”
 - “This is <your boat name>
 - I am located at <place name, latitude/longitude>
 - I am a <boat description> with <number of people> on board
 - I have a problem with <your problem>
 - I need help with <the help you need>”
3. Release transmit button and wait for response. If no response then wait two minutes and try again when channel 16 is free.
4. After placing a Pan Pan call by radio you may optionally call 911.
